AUTUMN CLEAN

SATURDAY 19 SEPTEMBER 2020

Please Keep this Date!

The Town Council is taking part in the Great British September Clean 2020, organised to replace the cancelled Spring Clean. Across the country, schools, councils and individuals will be tidying their communities. If you are free from 10am for a few hours or the whole day, you will be most welcome!

Due to Covid19, the arrangements will be different this time. The event will follow government guidance on safe distancing and a thorough risk assessment is being undertaken.

This is open to adults and, under supervision, children of all ages. You may join as individuals or small groups of up to 6 people. Groups should be from the same family, or support bubble or have some other connection that allows you to work closely together.

We are sorry that you cannot just turn up on the day as before. You need to register that you will be taking part. Please email the Clerk office@middlehamtowncouncil.co.uk with your name and that of any others who will form part of your group.

You will need to bring your own protective gloves and hand sanitisers. We shall provide hi viz jackets, litter pickers and black bags. Further details will be sent to those who register in due course.
