

Gritting routes in Middleham

This page is an extract of the gritting map available at <https://www.northyorks.gov.uk/road-gritting> which is interactive so you can check across North Yorkshire.

Map key

We grit our roads in the order below, as resources allow, based on traffic flows and the best use of our gritters.

Priority	Type of road	Gritted by
 1	Connects or passes through towns	7am
 2	Access to local communities	10am
Unmarked	Housing estates and country lanes	Only gritted if conditions last over 72 hours and resources allow

Most scheduled buses and three quarters of school buses run on gritted routes. We cannot grit all our roads due to the time and cost involved.

Report empty grit bins here: <https://www.northyorks.gov.uk/salt-bins-and-salt-heaps>
