

# Trust & Confidence Survey

**Thank you for taking part in this 5-minute survey.**

Police, Fire and Crime Commissioner Zoe Metcalfe has launched an online survey which invites you to complete a set of questions that will gauge the level of public trust and confidence in policing response across North Yorkshire and York.

The survey takes under 5 minutes to complete and is open to everyone, whether you've been a victim of a crime, a witness, a suspect or have an opinion to give on how you would perceive to be treated by the police if a situation occurred.

Responses will influence Commissioner Zoe's wider work, to promote change, ensure accountability and spread best practice and high standards of Police service.

The survey will remain on the Commissioner's Website indefinitely and welcomes ongoing responses that will be reviewed on a quarterly basis and published in May 2023

Thank you in advance for your participation.
